

# SOUTHAMPTON NEEDS A MEN'S SHED!

We are holding a meeting on Friday 11th July at the Freemantle and Shirley community centre (Sweet Eve) at 8pm (please arrive no earlier than 7:30) to discuss the possibility of starting a Men's Shed in Southampton. If there is enough interest and people willing to help run the project, this could have massive potential and do great things for the community.

For more information about Men's Sheds please visit:  
[www.menssheds.org.uk](http://www.menssheds.org.uk)

The Freemantle and Shirley Community centre is easy to find just off Randolph street.

We hope to see you there but if you can't make or want to know more please email:
